

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF MIKE)	CASE NO. 9535-L
LITTLE GAS COMPANY, INC.)	

O R D E R

On September 17, 1986, the Commission issued its Order in Case No. 9535 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On February 6, 1989, Mike Little Gas Company, Inc. ("Mike Little") notified the Commission that its wholesale cost of gas would be increased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective March 2, 1989. Mike Little submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Mike Little's notice of February 6, 1989 set out certain revisions in rates which Mike Little proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its supplier in the amount of \$3,834 or 6.7 cents per Mcf.

(2) Kentucky West filed an application for increased rates to become effective March 2, 1989 with the Federal Energy Regulatory Commission. These rates are subject to refund.

(3) KRS 278.180 requires 30-days' notice of a change in rates with the Commission having the discretion to shorten the required period from 30 days to not less than 20 days upon showing of good cause. Reductions in rates will be made effective with the date of the supplier decrease. Increases in rates will be effective with 20-days' notice providing the company has included in its filing a specific request that a tariff sheet or some other notification from the supplier be considered a showing of good cause. In no case, however, shall the effective date be made prior to the actual effective date of the supplier. Mike Little included no request for a showing of good cause for 20-days' notice. The effective date will, therefore, be 30 days after Mike Little's notice or March 8, 1989.

(4) Mike Little's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9535 dated September 17, 1986, is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after March 8, 1989, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix, attached and incorporated hereto, are fair, just, and reasonable and are approved effective with gas supplied on and after March 8, 1989, subject to refund.

(2) Within 30 days of the date of this Order, Mike Little shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 21st day of February, 1989.
